Re: In re: Zyprexa Products Liability Litigation  
 CMO-3 Documents Matter, Case No. 07-504 Civ. (JBW)  
 Related Case No. 04-MDL 1596

Dear Judge Weinstein,

I find that I must ask for a brief extension of the time for filing responses for James Gottstein and Terrie Gottstein to Lilly's January 31 filings. This request is made for good cause, which I would be happy to explain in whatever detail the court might require, if requested. I have contacted opposing counsel about this, as well as the other parties filing briefs in this matter, and no one has any objection to my request to extend the deadline for the Gottsteins' filings from today until Monday, February 12. Mr. Fahey has requested a corresponding extension of time in which Lilly might file a reply brief, until Friday, February 16. My clients do not object to this, should the court grant Lilly an opportunity to file such further briefing.

Thank you for your consideration.

Sincerely,

  
 D. John McKay

*Denied. Time  
 extended to 2/9/07  
 5:00 PM. No extension to  
 Lilly. The court's schedule  
 regrettably does not  
 permit further  
 delay.
